## PROJECTS

espnccricinfo.com Clone. [🔗](#)

- Deployed link [🔗](#)
- **This website is all about cricket score and you can see past, live and upcoming cricket matches information.**
- **Tech Stack:** HTML | CSS | JavaScript | ES6
- **Features:** Fixed Navbar | Pop-ups | Hover | Dynamic | Responsive.
- **Areas of responsibility:** It was a collaborative project. As a team lead, I had to schedule and conduct meetings, distribute the work, and help the team in case any of my team members faced any issues. A live score page was created and collected data for the same. Made this page responsive and dynamic with a media query for all devices.
